POLICE LEAD SMASH OF YOUTH DOPE RING

THE TOWN RECORD

By MONTE DAYTON

One of Daly City's most vociferous ladies on the subject of civic improvement, MRS. LYDIA TALBOT, had this to say recently:

"We've had David's parade, we've dedicated the Westlake firehouse . . . now how about getting bus shelters for us unfortunate people who have to stand out in the rain and cold?"

Despite its tall stature the bus sign posts don't offer too much warmth, she intimated.

Howsomever, the council says benches are fine, but shelters could be bad—obscenities might be written on the walls.

How about the oral obscenities of the people who have to brave the Daly City dew?

The iron motel: The wife of a well-known local businessman showed up HBD (had been drinking) at the police station last weekend, asked that her husband be arrested.

It being purely a domestic affair, police denied the request, so the lady managed to put bars between her and her husband anyway.

She walked down to the pokey, laid down on the cot there and slumbered in what was undoubtedly the safest place available this side of a monastery.

Nobody, but a couple of Smiths, knows what kind of development is underway at the HUGH SMITH property on Mission and Hillside . . . but everybody's wondering.

All in the line of duty: HENRY GROSS, Westlake cop, seen this week, retrieving from far and near the grocery carts from Town and Country Food Center.

Without malice aforethought, some several hundred apartment dwellers have used the carts to wheel home the vittles, neglected to return the vehicles.

We've seen press releases from politicians before, but never one like this week which straightfacedly linked religion and morality with politics.

TONY RICCI 'PUT OUT' AT DC CHIEF

While law enforcement agencies from the state on down to the city level were bristling with activity on the Daly City narcotics crackdown, local police commission chairman Tony Ricci today had a few choice things to say about the state of affairs here.

In a rebuttal to a remark made by Chief Roland Petrocchi last week that some police matters "are not any of the commission's business," Ricci said, "I'm very, very put out at his statements."

Says Improved

Claiming that the police department "has been improved 100 per cent since the commission's existence," Ricci said, "We never have tried to put anything over on the department. Everything we do is done with the consent of the councilmen."

"Every time the chief needs something for his department he comes to us," Ricci continued. "Now since he's used us for what he wanted, in his mind, we are no longer needed."

Petrocchi's remark of last week referred to the fact that the commission had recommended an administrative officer be on duty seven days a week.

The chief also intimated that the commission was "trying to run the department."

Council Must OK

"We don't do anything on our own," Ricci countered. "Everything we do is done with the improvement of the department in mind and all our recommendations must go first to the council for approval.

"We will continue to attempt to improve the department, with the sanction of the council," the commissioner added.

Ricci declared that when the commission meets on September 9, "We'll take up these statements made by Petrocchi."

Ricci also called attention to the current narcotics arrests. "We have a letter from the chief that says rumors of narcotics activity here are 'very unfounded,' I'd like to know what this is all about, too."

"If it weren't for the fact that two commissioners are indisposed because of illness, I think we would call a special meeting this week," Ricci concluded.

Jeff-PG&E Land Beef Awaits DA's Decision

The battle between the PG&E and Jefferson Elementary School district over acquisition of five acres of land near Colma reached a stale-mate Wednesday night, as Jeff trustees decided to let the district attorney make the next move.

Only recourse for the district now, it appears, would be condemnation of the land. A complication, however, is the fact that a public utility also has power of condemnation.

H. Z. Weibel, district superintendent, said, "We'll wait and see what the district attorney has to say."

Earlier this month the district lost out in their quest to gain the land, located between Edgemar road and Old San Pedro road west of Junipero Serra boulevard, for reserve school site property when the county supervisors granted the PG&E a use permit to establish a corporation yard there.

Defy Planners

The supervisors, who voted 4-0 in favor of the PG&E, with Thomas Callan Sr. of Colma abstaining, made their decision in the face of staunch opposition from county and Daly City planners and the local city council.

The district argues that the five acres constitute the last available site on which to construct a school in that area. Residential development by Doelger and Callan firms will necessitate school facilities in that vicinity within a few years, the board maintains.

Cite Other Land

In voting in favor of the PG&E use of the land, the county supervisors said there were 10 acres of undeveloped property adjacent to the site suitable for school development.

Local trustees argue that the land is too steep for school construction.

In other business Wednesday, trustees were informed by the district attorney that the Jefferson district vs. Shinazy trial over acquisition of property at the Ben Franklin school site has been set for September 27.

The district has offered Shinazy $6000, which the property owner turned down. The site is to be used for development as a playground.

Jeff Hi Announces Registration Data, New Bus Schedules

Jefferson Union High school officials today announced information regarding registration for classes and bus schedules for the coming school year.

New students who plan to enter Jefferson Union High school this fall, and who did not arrange their courses of study last spring, are advised to do so September 7, 8 and 10. The deans will be in their offices 9-12 a.m. and 1-3:30 p.m.

Those entering Jefferson from other schools should bring transcripts or other forms of information. Parents are invited to accompany the students and to participate in the planning of the programs.

The high school will open on Monday, September 13, at 8:26 a.m. All students will meet in the gymnasium for general information. Home room meetings will follow the general assembly. Registration cards will be completed and each student will receive a copy of his class program in the home rooms. A full days schedule will be run and every student should be in attendance.

"Those who enter later handicap themselves needlessly," said an administration spokesman. Many courses build on previous work and those who miss the beginning will find it difficult to keep up with the other students."

The bus routes for the coming school year have been announced as follows: No. 1, Sharp Park at 7:30 a.m., Pacific Manor at 7:35 a.m., and Westlake at 8 a.m.; No. 2, Sharp Park at 7:45 a.m.; No. 4, Pacific Manor at 7:45 a.m.; No. 5, Pedro Valley at 7:30 a.m.; No. 6, Brisbane at 7:15 a.m. and 7:50 a.m.; and No. 7, Bayshore at 7:55 a.m.

All Westlake students are advised to wait for No. 1 at 8 a.m. Stops will be made at each of the bus stops on Alemany.

Return trips will be made to Westlake, Pacific Manor, and Sharp Park by No. 1 at 2:10 p.m. for students who do not have a sixth period class. No. 6 will return to Bayshore and Brisbane at 2:10 p.m.

Regular return trips leave at 3:10 p.m.

It is presumed that some minor adjustments will have to be made after the first few days of school.

Clubhouse Topic At City Council--Recreation Meeting

The city council and recreation commission went on an imaginary tour of parks in the area Monday night in order to discuss problems confronting the commission. First on the agenda was a stop at the proposed Westlake park.

Work on the new park won't begin until at least next Spring, it was announced Monday night at the joint meeting.

Drainage for the park will be completed before winter, but the city will have to wait until after the rainy season before further work on the park begins, according to City Administrator Dan Andersen. He added that he expects the city will call for drainage bids within the next three weeks.

Clubhouse After Park

Doelger representatives say that construction of the promised Westlake clubhouse will begin after the park is started. The council Monday night advised Andersen to schedule a meet with Doelger in order to discuss details on the clubhouse. Doelger has offered to build and donate the clubhouse to the city.

Plans for the clubhouse were drawn by Mrs. Cecilia Mogensen, playground designer. Revisions on the outer design of the building and minor inside changes have been asked by Doelger Builders, and they are now holding the plans.

"We are in the position that we have okeyed plans we have never seen," Mrs. Gordon Carlson, member of the commission, told the council at the meeting.

Also on the agenda of the joint-meeting was a suggestion by Mayor Joseph J. Verducci that members of the recreation commission schedule a get-together with the planning commission.

Plans For Annexation

"Plans should be formulated to take care of newly annexed areas so that required recreation land will be provided," Verducci explained.

Edmund Cavagnaro, chairman of the commission, then asked the council to consider legislation forcing subdivisions to pay for part of

TAX RATE IS $1.43 AS PREDICTED

The city council Monday night officially approved a five-cent tax boost for residents of Daly City. The new 1954-55 tax rate is $1.43 per $100 assessed valuation compared to last year's rate of $1.38 per $100.

Council members officially adopted the 1954-55 record budget of $920,645 on June 28. At that time they estimated the tax rate to be $1.43, but held off official announcement until meeting as a board of equalization in order to hear tax protests.

Greatest amount of the tax rate goes to the general fund which shows .93. Other recipients are 1950 recreation bond fund, .10; 1952 fire protection fund, .075; state employees' retirement fund, .15; city library, .06 and parks fund, .115.

Mayor Joseph Verducci estimated that the average rate per home would come to $1.25.

"We feel every item in the budget is a necessity to adequately serve the people of Daly City," the mayor declared.

The additional $10,650 added to this year's budget will provide for the purchase of new equipment and expansion of major departments. The police department is the chief beneficiary of the budget with $160,965.

Thieves Take $76 Worth Of Jewelry From Mail

Theft of $76.54 worth of jewelry was reported to local police last week.

Miss Ann Klippel, 607 Orange street here, swore out a complaint of tampering with mail theft on August 17 when she found only empty boxes on her doorstep. Miss Klippel is a jewelry saleswoman and had ordered the jewelry through the mail.

The thieves overlooked a pair of men's cufflinks, according to the complaint. Police now are investigating.

HILLTOP LODGE IS CITED AS HANGOUT

Daly City police, with the help of San Francisco and county investigators, this week cracked a marijuana ring which allegedly uses the Hilltop lodge, 22 Hillcrest drive here, as the supply center for its wares. Local police have been investigating the local nitery for more than a year, according to Police Chief Roland Petrocchi.

"The dope operation has been nipped in the bud," Petrocchi said today.

The Hilltop Lodge, known as a "bebop" joint, is now up for revocation of license before the state board of equalization. Both local police and the office of the district attorney are preparing reports on the tavern to be presented as evidence in the hearing. Date of hearing has yet to be established.

District Attorney Keith Sorenson said today that, from all reports, he would estimate that from 200 to 300 marijuana cigarettes are passed in the Hilltop Lodge during one weekend.

Police Chief Petrocchi said today that from his observations, he would judge a smaller percentage of marijuana smoking than the district attorney's estimate.

First Break

First break for local police came when they picked up two youths on charges of possession of narcotics, burglary and passing fictitious checks.

The pair, Clarence Amoroso, 18, and James Lorenzana, 21, both of 6596 Mission street here, were suspected of burglary on the August 7 weekend when a neighboring apartment was robbed of various foodstuffs. Carl Dallas, resident of the burglarized apartment, filed a complaint with local police, and also stated that his wife had found a gun and holster in garbage thrown out by the two youths.

Police traced ownership of the gun to residents of Redding but lost the lead because original owners of the gun had disappeared.

This week one of the youths claimed buying the gun from a "stranger on the San Francisco waterfront."

After local police had been keeping a close watch on the 6596 Mission street resident for two weeks, they found last Thursday that county investigators also were investigating the pair for alleged narcotics use.

Join Forces

Last Saturday afternoon Officer Bruno Conci and Inspector Dave Johnstone and county officers finally grabbed the two youths when they returned home. Police had staked out the residence over the weekend in order to capture the hoodlums.

S. VICKERS, LAGOMARSINO IN COUNCIL ROW

Councilman Sanford Vickers substituted for Tom Callan against Ricco Lagomarsino in the city council ring Monday night.

The argument arose when Lagomarsino objected to the council's decision to postpone consideration of rezoning his land, Teresa Terrace, to a C-1 classification.

"Vickers, who doesn't seem very well informed on the subject, is the only member of the council holding up the resolution," Lagomarsino declared after the shelving decision was announced. "A man should represent all the people when he's elected to the council," Lagomarsino continued.

The land owner argued that, under Vicker's direction, the resolution would stay before the council for "a year."

Obviously unable to stand the accusations any longer, Vickers replied that he was obligated to no one and had only the city at heart.

"Did it ever occur to you, Mr. Lagomarsino, that maybe I'm the only one on the council who has studied the situation?" he asked.

At this point Mayor Joseph J. Verducci changed from a bystander in the argument to a participant when he told Vickers, "You are not the only one who has studied the situation."

Verducci also cast the lone vote against tabling the ordinance.

Vickers brought up five points for consideration by the council before deciding the ordinance. He asked first of all that the city attorney give separate advice on each of the four parcels of land involved. Secondly, he claimed that spot zoning would create new problems in city planning.

The councilman stated that commercial districts must be protected and that the safety of the people must be considered.

"We should have a master plan for zoning," Vickers concluded.

Dedicate Firehouse Before Crowd Of 300

See Photos Page 4

Over 300 enthusiastic persons, among them many important dignitaries, attended the dedication of the new Westlake firehouse last Sunday. The $79,600 firehouse, at 50 Lake Merced boulevard, one of the most modern and extensively equipped buildings in California, was viewed by city and fire officials from all over the Bay Area.

Fire Department Captain Mel Hanson reports that visitors were still inspecting the firehouse as late as 9:30 Sunday evening. Dedication ceremonies began at 2 o'clock in the afternoon.

Opening the ceremonies was Emil Bertelli, chairman of the

members of American Legion Post No. 410 who conducted the flag raising ceremony.

The Daly City band led by George E. Brenner played for the assemblage preceding short speeches by Mayor Joseph J. Verducci and Chief Kennedy.

Orchids for all the women were presented by wives of Daly City firemen. Lou Larcombe, fire commissioner, arranged to have the orchids flown over from Hawaii by United Airlines.

The firehouse was decorated with flowers from the Abbey Homestead nursery and shrubbery from the Olivet Memorial Park. The flag-

28-HOUR DELAY

Ten Pup Litter? No, It's 11

Daly City can be proud of a new title holder in its boundaries.

Royal, a beautiful pedigreed collie, owned by Mr. and Mrs. Robert Arko of 164 Los Olivos street, is the proud mother of 11-month-old pupies. Bearing 11 puppies is unique in itself, but the fact that the 11th dog was born a full 28 hours after the 10th breaks all precedent in dog annals.

The previous record of elapsing time between births where all dogs lived was 15 hours, Mrs. Arko reported to this paper.

The three year old collie, whose

local police interrogated the two after capture, and after hedging around, the pair admitted to an amazing list of crimes.

Included in the list were using marijuana, cashing an estimated $1000 worth of bum checks over last weekend in San Francisco, committing four burglaries in San Francisco plus the Dallas residence here and rolling drunks.

"Marijuana Factory"

On a lead from the two youths, police were able to crash in on a home "marijuana factory" and to make their third arrest of an alleged marijuana cigarette smoker, who like the first two was a frequenter of the Hilltop Lodge.

Tuesday night a combined effort of Daly City and San Francisco police plus County investigators moved in on the home of Edward (Red) Graham, 22, who lives only six blocks from the San Mateo county line. Graham eluded capture, but in the basement police found makings for marijuana cigarettes which included marijuana seeds and stalks, a screen for filtering the plant, paper for rolling and empty tobacco cans used to pack the cagarettes. Marijuana cigarettes sell for $1 each, according to local police.

It was denied today by both local police and the district attorney that Graham is a "big chief" or "gang leader" as has been reported in metropolitan papers.

Local police said that if Graham were a "big-time operator" his family obviously wouldn't be on relief. They also said that he doesn't even own a car.

"Graham, although a small link, is the biggest one we have," Sorenson explained.

Cerebral Palsy Victim

When police entered Graham's home, they found only his 21-year-old wife and her four children, one of whom is a victim of cerebral palsy. Ironically, they were looking at a "cops and robbers" drama on television at the time.

Mrs. Graham denied any knowledge of the material in her basement but told police it was a common thing for her husband "to stay out all night."

"I think our suspect came to the home while we were there," the district attorney reported, "and became suspicious somehow and eluded the trap."

A complaint, charging sale of marijuana, was signed in San Francisco yesterday, and a warrant was issued for the arrest of the suspected peddler.

While in the house, officers were able to make still another arrest. Mr. and Mrs. Noah Pitts arrived, and it was found that Pitts had a spring-blade knife on him upon searching. During questioning, Pitts revealed that his real name was Kenneth Pitts, the name used on the bum checks passed by the first two youths arrested. Pitts, a California Youth Authority parolee, was arrested by San Francisco police.

Admits Narcotic Use

The third arrest by Daly City police occurred Tuesday before the stakeout at Graham's house. Another habitue of the Hilltop Lodge, Jimmy Acerez, 20, 68½ Moss street, San Francisco, was picked up after a several-day search by local police.

Acerez, who admitted using marijuana, was just released from the county jail on August 1 where he was serving a term for vagrancy. The youth has a long-time record beginning when he was just a child. He was recently involved in a barroom knifing in San Francisco, and as a result of the brawl, was hospitalized at the San Francisco county hospital. Acerez was not expected to live, according to local police.

All three of the suspects picked up by local police admitted to buying marijuana cigarettes at the Hilltop Lodge, according to police. The law assumes that a license may be revoked if there are "successive sales over any continuous period of time."

Boxing Match Proceeds To Go To Polio Drive

concessions at the "All-Star Boxing Show" will be turned over to the emergency drive now being conducted.

A crowd of at least 300 is expected to attend the matches, among them many city dignitaries. Boxers who will participate in the twelve bouts are all local boys who have entered the summer recreation boxing program under the tutelage of Directors Frank Ingersoll and Joe Brown. Admission for adults is 75 cents and for children, 35 cents. (See sports page for further details.)

Mrs. Sanford Vickers, local chairman for the drive, reports that the vitally-needed money for polio is pouring in. She adds that she has received $100 in contributions and collected $180 from "E" posters.

"More money is still needed though," she declared, "because polio funds have been absolutely depleted and it is of the utmost urgency that residents help the campaign with their contributions."

Henry Misselwitz, chairman of the county drive, told this paper that "a large number of donations from Daly City and other county cities" has meant a "marvelous response" to the plea for aid.

"We expect to have received $20,000 by Thursday," he announced earlier this week.

Daly City Mayor Joseph J. Verducci took notice of the response to the drive at the Monday night council meeting and urged all residents to support the drive. The city council led off the drive by donating $50 at a recent council meet.

The emergency campaign which will last to the end of August was called to meet the financial crisis in the National Polio foundation caused by a $20,000,000 deficit in the regular drive earlier this year. The money will pay for new polio vaccine tests now under way and to continue paying huge bills for care of persons stricken with polio.

Donations may be sent to the county polio fund office or to Mrs. Vickers. Contributions may also be made through large posters displaying "E" denoting emergency. These posters, which will hold $8 worth of dimes, will be displayed at local business concerns.

Thirty-six California counties participate in the State's program for the control of predatory animals.

ANOTHER STORE for Westlake was revealed this week when the Henry Doelger firm announced lease negotiations had been completed with Thomas McAnn Shoe Stores. The establishment, one of approximately 40 new stores proposed for the area, will be situated on Westlake Shopping Court.

county planning commission that all confectionery businesses be denied permits to operate within 1000 feet of school property. According to the board, confectionery establishments dealing in the ice cream, hot dog, tobacco type business are a source of many problems to school officials.

A report on the A. F. Stewart Co. contract on Colma school was studied by the board. In view of the more than one year delay in completing the job, the board is investigating the possibility of securing damages from the contractor.

Letters of resignation from two teachers, Elizabeth Gehrman, first grade, Woodrow Wilson, and Barbara McDonald, second grade, Westlake, were read and accepted.

New teachers hired were: Pauline Thompson, Mrs. Helen Cordell, William Bell, Mrs. Emma Hammond, Mary Wade, Kathleen Roney and Miss Jeanne Corkran.

Table Gas Bids

The trustees tabled three bids on supplying gasoline for school buses. Richfield, Olympia and Associated companies each submitted a 21.4 cents per gallon figure.

Contract for auditing district books went to C. G. Uhlenberd of Redwood City at a price of $410.

Lawrence Halprin, landscape architect, won the job for site development at Vista Grande with a bid of $350.

Seeding of lawn at Colma school was contracted to Abbey Homestead Nursery for five cents a square foot.

Laud Van Der Werff

A citation for services rendered by former trustee Andrew Van der Werff was signed by board members.

Establishing of a hot lunch program at Colma school was okeyed by trustees as were the selling of $31,000 bonds for construction on Crocker multi-use room and an agreement with the county for instruction of handicapped students.

Trustee Henry Kraus, in the absence of Chairman Helen Cheatham, presided at the board meeting All trustees but Cheatham were present.

DC MAN HITS GOAL WITH BEER BOTTLE, BANDITS TAKE $323

A Daly City resident with a good pitching arm nearly saved the day at a San Francisco tavern.

Although Paul Wickham, 1027 Gilman avenue here, wounded a gunman with a well-aimed beer bottle early Sunday morning, two robbers escaped with $323 of the tavern's receipts. The two armed bandits, wearing Panama hats, strode into the Lost Weekend tavern at 1940 Taraval street, San Francisco, and brandished revolvers.

One jumped over the bar, shoved his gun at the bartender and announced, "This is a stickup, Mac." The other bandit jumped to a table and shouted, "Be quiet and stay where you are." It was just about that moment that Wickham picked up a half-filled beer bottle and heaved it at the gunman behind the bar. The bottle bounced off the gunman's head, leaving a gash over his eye.

The bandit, blood streaming from the wound, fired a couple of shots into the ceiling and fled with the money.

property have been shelved until September 14. The three ordinances are being handled as a package deal in order to save money on publication, according to City Attorney Frank Blum. He further continued that there would be separate voting on each ordinance.

All three ordinances have been approved by the planning commission.

the recreation area.

"San Mateo county has really neglected us," he added. "They haven't done one thing to promote recreation in this city."

The mayor also suggested that the commission meet with the school district board to see about the possibility of taxation for recreation. He said that there is a five cent per $100 limit for recreation on school district taxation.

Mason Lauds Schools

James Mason, director of the recreation department, told the council at this point that the recreation department had received "very good cooperation" from the schools.

"However," the schools have lagged behind in recreation planning since their biggest problem now is the need for classrooms," Mason added.

The meeting took an imaginary tour through Daly City parks, and, in doing so, discussed problems at the Community center. Council members asked commission representatives if they have been satisfied with council help.

"Growl A Little"

"I always call Mr. Andersen up and growl a little and things get done right way," Mrs. Carlson replied.

Complaints brought up at the meeting concerning the Community center concerned "poor ventilation under the floor causing the floors to buckle," restroom vandals, and national guard usage of the center under "false pretenses."

"We are not getting proper cooperation from the police," it was also charged by Mrs. Carlson.

It was also alleged by Mrs. Carlson that organizations have been renting the center under false pretexts.

"A shifty-eyed man," who arranged to rent the center for a recent dance for polio given by a local organization, misrepresented the facts, she claimed.

"The tickets minus the cost of the dance went to the polio fund while proceeds from the bar went into the organization's treasury," she said. "We have written them six letters since the dance and have received no answer."

City Attorney Frank Blum advised the commission to ask for $250 or $500 deposit in order to avoid such instances.

Blum also told the meeting that the commission was to act in an advisory capacity to the council. He concluded, "The function of the commission is as a body and not as individuals."

Woman, 84, Lies Helpless Through Fifteen-Hour Ordeal

An 84-year-old Daly City woman's screams went unanswered throughout the night last Friday until police and firemen broke into her house late the following morning.

Lying helpless on the floor for 15 hours after a fall was Mrs. Almira Wallace, 50 Mission circle. Police Officer Charles Munday reported finding Mrs. Wallace unable to move after the fall at 7 p.m. the previous night.

Mrs. Roland Petrocchi, 46 Mission circle, wife of the local police chief, heard the elderly woman's screams and called police and firemen. Police said Mrs. Wallace was conscious and coherent despite her night-long ordeal. She was taken to Junipero Serra hospital for treatment.

GETTING THE POINT ACROSS

The importance of planning to a city's health and economic welfare can nowhere be better illustrated than in the case of the $65,000 storm drainage project now being proposed for eastern Daly City and other miscellaneous unattached sections.

Admittedly, in Daly City's embryo period of growth at the turn of the century and for more than a decade after, planning was on a catch-as-catch can basis. In other words, if a row of houses happened to be built in some semblance of order, the developer might later term his efforts "planning" by loose usage of the word.

But in the late 1940s, time of construction on most of the homes concerned in the proposed drainage project, planning, or lack of it, had come to have an undeniable effect on the fate of a municipality.

Why a drainage system wasn't laid out in the areas concerned poses a good question. Perhaps the city officials didn't want to impede growth by forcing petty attention to drainage requirements. This, combined with the subdividers earnest request for a sizeable profit margin and the urgent need for homes by persons who would rather get themselves situated between four walls than quibble about where all their excess water was going, probably made for the oversight.

Now, the homeowners are going to pay, probably double what it would have cost for drainage facilities had they been done in the early construction period of the residences.

Streets and private property will have to be torn up to install the storm drains, resulting in high cost construction work and inconvenience to the citizenry.

The drainage project is only one instance where faulty planning or lack of planning has made for hardship, wasteful expenditures.

If nothing else, this incident might serve to bring home the importance that planning must henceforth play in Daly City's future.

Letters To The Editor

Demo Desires Oratorical Tiff With GOP

Dear Editor:

The North End Democratic Club is anxious to hold a public debate on "foreign policy today." We have several speakers who are willing to discuss the Democratic position but are unable to locate anyone who can speak for the Republican side. Although many people say there is no present foreign policy or that it is in a state of "bewitched, bothered and bewildered," there are still a few good Democrats who would like to be enlightened as to:

(1) Is there a present foreign policy, and

(2) What is that foreign policy.

Any Republican speakers wishing to discuss this matter in public forum, please address your replies to the undersigned at 1720 Louvaine drive, Broadmoor Village, Colma.

Very truly yours,
Howard L. Richardson,
Chairman, Speakers Bureau
North End Democratic Club

VFW Tells Of Youth Guidance Dance

Dear Sir:

One of the many problems that confront us today is the ever increase of juvenile delinquency reports which we read in the papers and which happen all around us. Our Post and its Ladies Auxiliary have dedicated themselves to help stamp out this condition through its Youth Activities program.

Members of the Post and Auxiliary have joined together with other organizations in the community to help fight this problem. As an individual organization, we have successfully conducted Teen Age Dances every month, sponsored a Boy Scout Troop, and participated in general youth education and guidance programs through our public schools and other social and sport outlets. In order to raise sufficient funds to keep this program going, the Post sponsors a dance each year.

On September 18, 1954, the Post and Ladies Auxiliary will hold their Second Annual Youth Guidance Dance at the Daly City Memorial Building. On behalf of the membership and myself, we cordially invite you and your guest to attend. I am enclosing two complimentary tickets for your use and we are looking forward to seeing you at the dance.

Very sincerely yours,
DENNIS DUNN
Commander

Asks GM Success Formula From Younger

Dear Editor:

The greatest offhand statement ever made on the economy of this country was "What this country needs is a good five cent cigar." The second statement that will probably go down in history was "What's good for General Motors is good for the country."

General Motors is having a fabulous year of income before and after taxes under the close coddling of the General Motors boys in the Eisenhower administration. Their gross profit on total sales was approximately 19% before taxes in the first six months of this year. Their net profit for the first six months of this year was better than 35% over the first six months of 1953.

During this corresponding period the profit of auto dealers was one point nine (1.9%) per cent of gross sales before taxes. This means that General Motors did exactly ten times as well, or 1,000% better than the automobile dealer.

Just yesterday President Eisenhower vetoed a measly 5% salary raise for the postal workers and some civil service employees of the government. Therefore, their gross increase before taxes is zero while General Motors' is better than 35%.

Now that our Republican Congressman Younger has returned maybe he will disclose the General Motors success formula to the many automobile dealers, postal employees and government workers of our county so that they may be able to do as well as General Motors.

Very truly yours,
James T. McKay

My Mad World

By Leonore Brewer

For as long as we can remember the name Walt Disney has meant an endless colorful stream of cartoons depicting the foibles of the human race through the antics of various ducks, mice, cats, etc. Later came his full-length cartoons illustrating such fairy tales as "Snow White" and more recently "Peter Pan."

But some five years ago something new came out of the Disney Studios—"Seal Island," the first of his "True-Life Adventure" series. After several shorts of similar length, Disney then produced "The Living Desert," a feature-length film honored in last year's Academy Awards. In this picture emphasis was placed on gruesome battles for existence fought by such horrors as wasps, tarantulas and snakes.

Now we have "The Vanishing Prairie," featuring creatures who wear fur or feather rather than scales and whatever it is that insects wear. As in "Desert" the threat of death is ever present and Nature's grim law of eat or be eaten is illustrated; nonetheless the general atmosphere of "Prairie" is one of the triumph of survival, even if it requires an altered pattern of life, as in the case of the Rocky Mountain sheep.

Everyone is going to have his own favorite scene. There are ducks returning to lakes still frozen, on which they make ungainly landings to a Wagnerian accompaniment. There are the courtship dances of the grebes, the grouse and the whooping crane, the latter now almost extinct.

Mother love is illustrated time and time again. There are the first few moments in the life of a buffalo calf, from its arrival into the world through its first staggering steps in search of mother and a snack. Being partfal to cats of all sizes, we enjoyed the scenes of the mother mountain lion training her kittens. Watch the expressions on the kittens' faces as they watch mother obtain their dinner.

And we mustn't forget the home-life of the prairie dog, whose chief characteristic seems to be curiosity. Even when a falcon in search of his supper repeatedly buzzes him, or a buffalo rolls on his front porch, he immediately pops up again so as not to miss anything.

As in all great art, the difficult in this film is made to appear easy, and one is liable to overlook the unbelievable patience of the photographer-naturalists willing to spend days or weeks before they catch just what they are after. There is a brief scene of mountain sheep ramming horns, ingeniously edited and scored to the accompaniment of Verdi's Anvil Chorus. Herb Crisler spent a year in the mountains of Colorado, waiting to film this.

"The Vanishing Prairie" is currently playing at the Cinema on Market street, together with an excerpt from an earlier Disney film, featuring Nelson Eddy as the whale that wanted to sing at the Met. As illustrations of two facets of Disney's work they make an interesting contrast. However, we hope when "Prairie" starts its trek through the neighborhood theaters, it will pick up "The Olympian Elk." We want to see "Prairie" again and somehow or other we missed the story of the elk.

LION TALES

By Joseph Belli Jr.

A special meeting was held during the past week by Lion Roy Arneson, chairman of the dance committee. Three thousand tickets were decided to be made, and they will probably be ready for distribution to the members and various organizations within the week. The tickets will sell for one dollar per person and will entitle the holder to a chance on the four door prizes to be given away at the dance. Also decided at this meeting was to have a souvenir program made and distributed to each person that attends the dance. This program will consist of a roster of the club's membership, an article on Lionism, a list of the various committees making the dance possible and the remainder of the book will be devoted to advertisements. This book will be about 5" x 8" inches in size and will consist of thirty six pages.

The Clique in the Club

Word has been received by the Board of Directors of the club that it is run by a clique. Upon investigation we find this statement is true. Furthermore we find that the clique is composed of faithful members who are present at every meeting, who accept appointments to committees, who give willingly of their time, energies and efforts, and who sincerely believe that the more one puts into his club, the more he will get out of it. There is no question that the enthusiasm, responsibility and efforts of these members are of inestimable value to your club. And we would, therefore, suggest that you join this clique. It is not a difficult matter to do so—in fact, it is very easy. Begin by attending meetings regularly; take a more lively interest in club activities; make helpful, constructive suggestions, and accept responsibilites to serve on committees. Show a continual interest in all affairs pertaining to your club. Before you realize it, you will become a member of the clique and you would be surprised to know how anxious they are to have you.

JEFF ELEMENTARY SCHOOLS TO OPEN ON SEPTEMBER 13

The Jefferson Elementary Schools will open on Monday, September 13, according to Superintendent H. Z. Weibel.

Children who are new to the District are to register on Friday, September 10, to obtain a class assignment. Registration will be held in all the schools from 9 a.m. until 12 noon. To obtain information about where a child should register inquiry should be made of a neighbor or at the Administration Building, telephone PLaza 5-3341.

Most children returning from last term will know which school they are to attend and will report to that school without notification.

Postcards will be sent after September 8, to those children who are being assigned to a school other than the one they formerly attended.

All children entering the seventh and eighth grades will be enrolled in the Colma school, Hillside and Market streets.

Bus information will be in next week's issue.

Library News

Did you know that the Daly City public library received regularly 45 different magazines of varied types? Many of the popular news and home magazines are included in this group. Two of the latest additions to the magazine collection are SPORTS ILLUSTRATED and THEATRE ARTS. SPORTS ILLUSTRATED is the newest offspring of TIME magazine. This informative and attractively illustrated publication has been specifically designed to report on the "wonderful world of sport." THEATRE ARTS magazine features all the theatre and drama news, information about actors, etc. Many times complete plays currently appearing on Broadway are included.

All magazines circulate, and the newer issues can be kept for seven day periods, non-renewable, thus giving many readers the opportunity of reading current issues. We are all well aware of the recreational type reading such as the best sellers, westerns, mysteries, science fiction, etc., which is available at the library. However, recreational reading constitutes only a part of the book collection. Also available are many non fiction titles which can be used to help you with some of the everyday practical projects in which you may be engaged. Books such as "The Car Owner's Handbook," "All About Your Car," "A Practical Manual For Auto Owners," "Motor Tune Up Manual," and "Automotive maintenance and Trouble Shooting," may help you to unsnarl some kinks which are clogging up the family car, and also spare you a costly mechanic's bill.

Then for you aspiring television technicians there are titles like "Television and F.M. Servicing" and "Television and Radio Repairing."

For hundreds of money-saving suggestions for making repairs and improvements in and around your home you can read "The Complete Home Handyman's Guide," or "The Popular Mechanics Guide to Home Repairs" or "New Rooms for Old."

For the ambitious housewife there are many new and old books on sewing, cooking, upholstering and child care. Books like "Thrift With A Needle," "Dress Accessories and Gifts You Can Make," "New Settlement Cookbook," "Understanding Children's Play" and many more in these and other categories are available.

If you'd like to brush up on your English or math for that Civil Service exam that's coming up, or just for your own self-improvement, there are books at the library that will help you.

If you yearn to travel but your pocket-book says no, why not visit those far-off lands and romantic places via a good book. Let a book take you big game hunting in Africa, or if you don't care to exert yourself read about the leisurely atmosphere of Tahiti or the Virgin Islands.

You can be sure that the slogan "Something for Everyone at the Public Library" is not just a hollow phrase, for regardless of where your interests lie, there are books about crafts and hobbies, travel, self-improvement—all these categories and many more are represented at your public library.

Remember, for books, magazines, pamphlets and reference service the Daly City public library is at your service Monday through Friday, 10 a.m. to 9 p.m.; Saturday 10 a.m. to 5 p.m.

KEFAUVER PLANS SM COUNTY VISIT ON SEPTEMBER 25

Senator Estes Kefauver of Tennessee will come to San Mateo county on September 25 to campaign for Dr. Harold F. Taggart, Democratic candidate for congress from the ninth (San Mateo county) district, the National Democratic Congressional committee announced today.

Tentative plans include a dinner for Kefauver and Taggart at $10 a plate followed by a mass rally with admission set at $1.50 each, William Penaluna, Taggart's campaign manager, disclosed. Locations of the dinner and rally will be revealed later.

Kefauver is only going to those congressional districts in the country where the Democratic candidate has an excellent chance of winning in November, the National Committee reported.

Attorney General Edmund G. (Pat) Brown will accompany Kefauver on his visit to San Mateo county in behalf of Taggart, Penaluna said.

This will be Kefauver's first scheduled appearance in Northern California. A Jefferson-Jackson Day dinner with Kefauver as the principal speaker may be scheduled during that weekend.

Taggart narrowly lost the congressional race two years ago and overwhelmingly captured the Democratic congressional nomination at the June primary. He is dean of men at the College of San Mateo, a veteran of World Wars I and II and has been endorsed by every labor organization.

Safety News

CHECK THE CAUSE

If you have had several near traffic accidents in recent months now is the time to check the cause. Many accidents are preceded by several close encounters.

Defective eyes, slowed up reactions, continued fatigue, and poor physical condition may be responsible. After several near brushes a driver should have a check up for his own good and the safety of others. He may find a hidden reason for his trouble. Often it has been found that glasses, or a change in lenses will correct the trouble.

If it has been found that reactions have been slowed, either by illness or advanced years, the driver will be aware of it and can intelligently allow for it in his driving. Distances between their car and the car ahead should be increased, normal driving speeds should be reduced slightly, and more attention should be given to autos approaching from the side.

Police reports on accident repeaters show that many of these people could be cured by a visit to their doctor or to an optometrists.

Out of Nowhere

The common remark after every traffic mishap is, "I didn't see the other car," or, if a pedestrian is involved, "He (or she) just appeared out of nowhere." It's easy to be taken unawares when you daydream while driving, so always be doubly alert at the wheel. Vehicles and people don't just pop into existence in front of you unless your mind has been drifting out of time and space.

David's Parade Gains State-Wide Attention In California Magazine

Parade Promoter David Allen Steward gains state-wide attention in the current September 1 issue of FORTNIGHT magazine which devotes a full half page to the recent "David's Parade."

The story came to the attention of FORTNIGHT reporter Sam Coombs, a Westlake resident, when he read bout "David's Parade" in this paper. The article, with pictures of David crowning "Little Miss Daly City" and of the parade, lauds local residents in recognizing the "wisdom" of the 13-year-old boy's idea.

"Gee, I never expected to be famous!" exclaimed David when he saw the magazine story.

ALL PROGRAMS SUBJECT TO CHANGE ● NOT NOT RESPONSIBLE FOR LAST MINUTE SCHEDULING

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Here we are in the last few remaining days of August and before we know it all the folks will be home from their vacations and the youngsters back in school where it will be the teacher's turn to have the headaches. I really don't know just which of them is looking forward to school days less but of one thing I'm sure—the mothers will be most happy. In the meantime have heard from more of the traveling folks so here's the news for this week from them to you.

Received a very nice letter from MRS. MARGARET STEELE in which she tells us that her daughter ANNE in Albequerque, N. M., has just presented her with a new granddaughter. The young lady was not expected until August 9 but fooled everyone by arriving on July 26. This of course made Mrs Steele happy as she can be there to help with the new baby and what more fun can one have than that. They are leaving New Mexico on Sept. 3 and will be at home to all the folks a few days later. While in New York they say a Daly City boy, DON MASSI, played baseball and they were really thrilled to see a hometown boy play in Yankee Stadium.

A farewell family gathering was held at the home of MR. and MRS. ACHILLE LIBERTI of Winchester street last week. The event was to say goodbye to their eldest daughter, JUDY, who left Saturday to enter the Convent of the Presentation to start her life as a Novice of that order. It is a teaching order and all who know Judy wish her much happiness in her chosen career.

Items of Interest

There was a very beautiful christening held at St. Philip's church in San Francisco last week at which the center of attraction was the new son of MR. and MRS. DON HILL. Baby Anthony Hill behaved beautifully throughout the ceremonies while being held in the arms of a friend of his mother's. The godfather was MR. PAUL CRUZ, brother of Mrs. Hill. After ceremonies a family dinner was held at the home of Mr. and Mrs. Hill. On hand to welcome relatives and friends who came to greet the baby were his maternal grandparents, MR. and MRS. SYL CRUZ SR. of Mission street. Mrs. Edna Cruz was hostess about a month ago at a stork shower in honor of Baby Anthony which was attended by many relatives and a host of friends.

Celebrating a sixteenth birthday on August 16 was TOMMY STONE of Theta avenue. He was surprised at a family dinner given by his mother and attended by not only his whole family but by many of his friends too. A happy birthday, Tommy, from all of the rest of your friends, too.

MR. and MRS. WILLIAM HOBBS of Risel street are really the vacationers. They have just returned from two week's vacation spent at Lake Tahoe and are packing their bags in preparation for an extended trip East which is to last a month. They have no definite destination in mind but are just going to get in the car and start out and where they stop they will let us know. Have fun, folks.

MR. and MRS. ED HAUSSLER are more of the folks just returning home. They had a grand two weeks which they spent seeing the sights in Canada but still say there is no place quite like home.

The gals of the FRIENDLY TWELVE are really a bunch. They decided life was getting a little monotonous so they cooked up the idea of a picnic with some of the gals of the CIVIC CLUB. By the time they arrived at San Bruno park for the day there were twenty ladies and THIRTY youngsters. From what I heard they really had a grand time and hope to do it again soon.

Another of the neighbors was surprised at a birthday dinner last week. This one was held in Sacramento at the home of MR. and MRS. KENNETH FELLOWS, and of course the honored guest was his mother MRS. MADELINE FELLOWS of Los Banos avenue. What made it really nice was that all the family were there including the grandchildren to help Madeline blow out the candles. Happy birthday from all of us too, Madeline.

One is never too old for surprises and I received one last week. MRS. DOROTHY STONE of Theta avenue called to tell me of the marriage of her daughter MARY. The surprise was that Mary had been married to ROBERT HARPER on Dec. 10, 1953, in Reno, Nev., and had kept her secret very well. Mary is well known in our town having attended O.L.P.H. School and Jefferson high. The groom grew up in Brisbane and also attended Jefferson High before joining the Merchant Marine. He is at sea at the present time and Mary is making her home with her mother until his return. Fact is he won't be home until December when he will be welcomed not only by his wife but by a new addition to the family which is expected sometime in September.

Servicemen

The long awaited word has finally come. Seaman BILL BEECHER who has waited for almost two years for sea duty is to report to Treasure Island on September 1 for his new assignment. He will have a 15 day leave before he goes and will be most certainly missed by all his pals as well as his family.

Petty Officer 3/c RICHARD E. NEGHERBON has come to the end of his leave and has returned to San Diego to rejoin his ship the U.S.S. Hopewell, his favorite destroyer. What will really make it interesting is that there will be a lot of new crew members to train and Richie now wears the stripes to do it. The ship isn't ready for overseas as yet due to having been overhauled and they still have to make a few trial runs before taking off for good.

Had news of our friend PFC. RICHARD FITZGERALD of the U. S. Army this week. He is very happy as a cook in the big hospital in Georgia and has found housing for his wife and baby. The only bad part is the heat which none of them are used to and he would really appreciate a little of our fog if we just had some way to get it to him.

CPL. SYL CRUZ JR. is still enduring the heat at Biggs Air Force Base, Texas, and would just about welcome an overseas assignment to get out of there. He has already spent 14 months in Korea but would like to go to Europe this time if he could. Any place but Texas.

Saw my friend PFC. FRANK BRICKER of the U. S. Marines last week and does he look fine. He is home on furlough between assignments and having a grand time with all his pals of school days. It won't be long until all the fellows will be in one uniform or another so I guess I might just as well get used to it. Can't seem to though.

News and Views

Boulder Creek again last week was the town to go to by some of the folks. MR. and MRS. BILL BEECHER SR. were among those who were spending their vacation there. While there of course they ran into more of the folks. Seems Boulder Creek is just a home away from home for many of us.

The whist sponsored by HILLCREST CIRCLE No. 143 U.A.O.D. at the Masonic Hall last Monday night was really a huge success. The Arch Druidess, MADAME VICTORINE LOMBARD, gives all the credit to her chairman, MRS. ELEANOR WILSON and MRS. GERTRUDE BONOMI for really doing a wonderful job. Of course these whists are always popular and the only reason many of the folks miss them is that they are on vacation. They are held the fourth Monday of each month for the enjoyment of all who like to play.

A lovely little lady had a birthday last week. MISS LORRAINE LIGOURI, daughter of MR. and MRS. TONY LIGOURI of San Diego avenue was hostess to her family and many little friends who all came to help her blow out the two candles on her cake. Of course she had lots of help from brothers TONY JR. and LARRY who thought she was too little and needed help.

More travelers will be returning soon. MR. and MRS. BLACKBURN of Peoria street and their children JIM and PHYLLIS are spending their vacation in Nebraska. They are making the home of Mr. Blackburn's parents their headquarters while going around visiting family and friends and of course seeing all the sights.

Returning home soon if they aren't home by now will be MR. and MRS. HERMAN KOHLBRUNER. They spent their vacation at Clear Lake and then on to Yosemite National Park where they really had a grand time.

MR. and MRS. FRANK NEUMANN are entertaining guests at the present time. Their daughter BARBARA and her husband plus their two months old baby are visiting here from Phoenix, Arizona. Many of Barbara's old classmates were really happy to see her and the new baby and much time has been spent in catching up on all the news.

Many of the folks (those who were home over the weekend) went to see the dedication of the new firehouse in the Westlake district of Daly City last Sunday. They not only saw the newest in firehouses but also in equipment plus the proud and beaming members of the new Co. 5 fire station. I don't know which the boys were most proud of—their new firehouse or the newest in fire trucks. Anyway it was an impressive occasion and one in which we can all take pride as we need take a back seat to no city when it comes to our fire department.

Well, folks, another week's news is just about finished. There will be more next week so keep the phone ringing and remember the number is PL. 5-6492 and if I'm not there just keep trying and you'll get me. I'll be waiting to hear from you so until next week then—'Bye now.

Saturday Deadline For Vista Grande Concert Contests

With only a few more days remaining before the Saturday deadline, hopefuls in the two contests being conducted by the Vista Grande Community Concert Association were reminded to see that their entries are in the mail by that date.

Slogans should be mailed to the association, Box 493, Colma, and students planning to enter a poster should drop their name and address to the association at the above address and arrangements will be made to pick up their poster for judging.

The close of the contests herald the closing days before the membership campaign drive to be conducted the week of September 13 to 18. Final plans are being made by officers and staff for the kick-off dinner to be held at Rickey's Red Chimney in Stonestown.

Miss Alma Lauritzen, Field Representative of Community Concerts, Inc. of New York, parent organization of the local association, is expected to arrive within the next few days. Miss Lauritzen will supervise the campaign and following its conclusion will meet with officers of the local association and select the concert dates and artists to be presented by the local group during the coming season.

President and Co-membership Chairman Thomas E. Brewer met with Division Chairman, Mrs. A. L. Desmond and her team captains this week for final instructions. Mrs. Desmond and her captains, Mesdames Hartley Appleton, M. H. Barton, Michael De Bernardi, Julian Cohn, John Drye, Jean Goldhirst, Gordon Grannis, Donald Haas, Harold Holman, Paul Selmi and Misses Simone Goldhirst and Kaye Brownlie will canvas the Westlake area for prospective members during the campaign.

Membership dues in the association are $6 per year for adults, $3 for students. A membership card will entitle one to free admission to all concerts sponsored by the association in Daly City.

MISS HALEY ATTENDS CHICAGO MEETING FOR BELMONT SCHOOL

Miss Marilyn Haley, daughter of Mr. and Mrs. John J. Haley of 237 Second avenue, Daly City, will be one of three representatives from College of Notre Dame, Belmont, to attend the eleventh national congress of the National Federation of Catholic College Students to be held at the New Congress hotel in Chicago from August 31 to September 5.

Prior to the Congress the annual Conference of Student Government Presidents will take place, from August 28 to 30. Miss Carole Arnberger of San Carlos, incoming president of the Associated Students of the College of Notre Dame, will attend this gathering and with Miss Joyce Brophy of Redwood City will be present at the N.F.C.C.S. conference. Miss Brophy, who is senior delegate from the College, has been appointed a member of the nominating committee. Miss Arnberger is chairman of the Social Service commission. Miss Haley is junior delegate from the college.

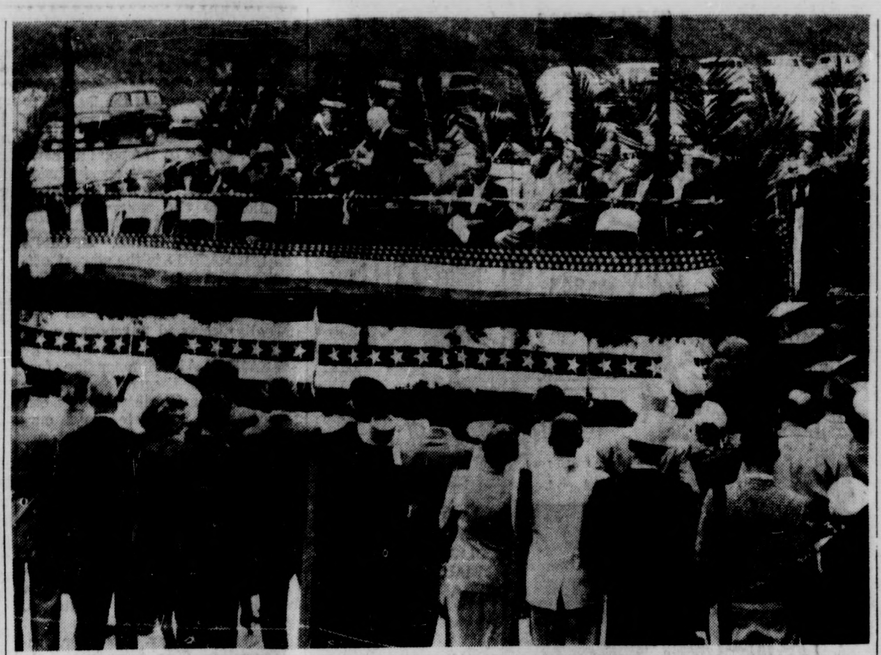
The delegates from Notre Dame will be accompanied by student representatives from other Bay Area colleges.

WOMEN'S ORT GIVES TO POLIO DRIVE

The Northern Peninsula chapter, Women's American Ort, has received a letter from Mr. Henry F. Misselwitz, executive director for San Mateo County in acknowledgement of its donation toward the Polio Foundation. Members of the chapter made the donation in behalf of its past president, Mrs. Norton Langley, who is recovering from polio. It is hoped that other groups will consider the needs of the Foundation at this crucial time and support the cause whole heartedly, according to Publicity Chairman Mrs. D. A. Skootsky.

Teen Toppers Club Plan Dance Saturday

The Teen Toppers club sponsored by the Veterans of Foreign Wars is holding a teen age dance Saturday from 7:30 to 11:30 at the Broadmoor Community center, according to Publicity Chairman Beth Brownlee. All teen agers from Broadmoor, Garden Village, Westlake and Colma are invited to attend.



VETERAN FIREMAN Ted Wickersham hands the American flag to Fire Chief Elmer Kennedy during impressive dedication ceremonies for the new Westlake firehouse. The dedication lasted from 2 p.m. to 5 p.m. and was announced a "rousing success" by firemen and visitors alike. Wickersham, vice president of the Veteran Firemen's association, presented the flag to Kennedy, who in turn, presented the flag to American Legion post No. 410 who conducted the flag ceremony.

COMPLETE APPROVAL was expressed by an estimated 300 visitors to the new Westlake firehouse which was dedicated last Sunday afternoon at 2 p.m. The firehouse is one of the most modern and extensively equipped buildings in the Bay Area. Guests for the big occasion included city and fire officials from all over the Bay Area and Peninsula. Captain Mel Hanson of the local firehouse reported that visitors were still touring the new building as late as 9:30 Sunday evening.

UNITED CRUSADE TELLS OF HELP TO YOUTH GROUPS

Certainly nothing is more important to a community than its youth. The influences working on our youngsters are the deciding factors in determining the way a boy or girl will go in future life, according to the United Crusade. Peninsula and Sequoia YMCA organizations play a vital role in helping shape the lives of San Mateo county youngsters.

Both YMCA groups receive support from the San Mateo County United Crusade. They offer a program of leadership training incorporating the highest ideals of democratic action and fair play. Although the programs differ according to the needs of each locale, the goal of all YMCAs has been the same—development of leadership in youngsters and programs offering an opportunity for fun, learning and companionship.

Peninsula YMCA has now 86 clubs, with 1400 young people of high school age belonging to these groups. Clubs in the Peninsula "Y" are built around "friendship groups" and usually are composed of groups of 15 to 25 young people who meet at the home of an adult volunteer advisor. Their activities are coordinated through a Cabinet to which officers are elected from the clubs. Girls belong to the Tri-Hi-Y, boys to Hi-Y. One out of every three high school students in San Mateo and one out of every two in Burlingame belong to the Peninsula YMCA.

Sequoia YMCA also operates on the same basic principle of "friendship groups." However, their area needs are slightly different from the San Mateo-Burlingame community and they incorporate groups of ages other than high school as well as the teen-age Hi-Y and Tri-Hi-Y clubs. There are 4,000 YMCA members in 85 clubs including 16 adult groups, 17 organized basketball teams and 15 Indian Guide Tribes (father and son groups). The Sequoia YMCA and Peninsula YMCA both engage in year 'round recreation activities including snow trips in winter, summer day camps and swimming, picnics and hikes during the year.

United Crusade, when broken down in terms of the services which it supports either wholly or partially, ceases to be an abstract name. It means YMCA to kids all over San Mateo county.

A lively tune and friendly smiles will help you drive much safer miles, reminds the San Francisco Chapter of the National Safety Council.

North End Demo Club To Feature Vote Contest

The North End Democratic Club at their Wednesday night meeting announced a contest to be conducted by the club during the fall elections. Although the club will support all Democratic candidates selected in the primaries the contest will center around the candidate for congress, Harold F. Taggert.

To qualify, all entrants to the contest must be registered with the club as precinct leaders and be members of good standing in the club. The prize awards will be based on the percentage of total votes cast for the Democratic candidate in each precinct entered in the contest. Since only a few precincts in the Daly City area are still not represented by leaders registered with the club the contest chairman, James McKay urges all aspirants to sign up prior to the September 15 meeting.

J. Walter Thomas and D. L. Dilbeck were appointed as delegates to the County Council of Democratic Clubs, Louis Rief was selected as alternate.

A temporary headquarters will be opened in the near future to serve the public during the fall campaign. Tentative plans are being discussed to open a permanent headquarters in the local area.

Mrs. Helen F. English, club chairman for voter registration, announced that there will be a registrar on duty in King's Market each Saturday until the deadline of registering for the November elections. Other registrars in Daly City are: Ernest da Rosa, 5 Wellington avenue; Peter Markovich, 6454 Mission street; Helen Villalba, 115 Crocker avenue; Julius Caselan, 862 Bellevue avenue; Helen F. Fog or no fog, summertime is picnic time, especially for the younger crowd. This was proven last week when the recreation program sponsored by the Broadmoor Youth Council added a picnic at San Bruno park to the regular schedule of events.

With Mmes. John Hess, Leonard Navarro, L. E. Eagleton, Maurice Ray and Larry Green along to supervise and John Bell to drive, the following youngsters enjoyed a wonderful afternoon:

Judy and Jack Bell, Jean Luttringer, Natalie, Kurt and Eric Neff, Joe Rossio, Owen and Michael Marowitz, Ernest and Bobby Bustamonte, Jack Walsh, Ronnie Townsend, Judy and Jenny Beckerman, Joan and Andrea Deering, Clyde David Cleveland, John, Jerlyn and Judy Heick, Kenneth Williams, Kathy McBain, Greg Poston, Barlow Mize, Matt and Gerry Dorn, Bill Hix, Caren Hawkins, Mike and Patricia Simmons, Michael Flanagan, Robert Goodwin, Bobby Holcomb, Susan Plummer, Meredith and Russell Green, Bruce and Susan Klopstock, Emma and David Hale, Pamela and Billy Eagleton, Joyce and Lynn Navarro, and Jimmy and Jerry Hess.

Yesterday (Thursday) saw the start of the marble tournament and September 2 will be Play Day, with everyone participating in numerous events.

For full particulars on both activities, Robert Watt, recreation director, may be contacted at the Garden Village school grounds on Monday, Tuesday and Thursday afternoons from 1 to 5 p.m.

Local Youth Named Scholarship Winner

John Charles Wiesner, 49 Lake Forest drive, is among the 360 students from the San Francisco Bay Area whose names were announced as winners of undergraduate scholarships on the Berkeley campus, University of California.

Wiesner, a freshman, received his award in engineering.

The scholarships are for the 1954-55 academic year, and are awarded on the basis of scholarship, need, and promise, or according to special conditions set up by the donor. The committee on undergraduate scholarships makes the awards.

Ridgely Cummings Reports

I am not one to climb precipitately on popular bandwagons nor do I jump overboard at the first sound of splash. My tendency is to hang back and make sure there is actually some reason for all the hullabaloo.

But today, instead of applying the brakes, I feel like stepping out ahead of the bell-wethers.

Last night I saw Marlon Brando in a movie called "On The Waterfront" and this morning, after having slept on it, I feel impelled to predict that this young man is destined to become a living legend.

Brando is a stupendous actor, nothing short of terrific. If he keeps up his present pace he will be a man for our age to remember.

Generation Heroes

Each generation of drama lovers has its own heroes. In the 18th century when Dr. Samual Johnson was the great literary poohbah, David Garrick was the actor to whom all critics paid homage.

In the 19th century in our own country it was Edwin Booth who reaped the laurels, though his fame was somewhat dimmed by the insane act of his son, John Wilkes Booth, in assassinating Lincoln.

Our grandfathers worshipped Eleanora Duse, Isadora Duncan Sarah Bernhardt, the divine Sarah as they used to call her. And our parents and many of us remember with pleasure John Barrymore and Leslie Howard, to mention only two of perhaps a dozen names that have outlived their owners.

Now the time has come, I am inclined to think, to add a new name to the honored list — that of Marlon Brando. He has that unusual ability which characterizes the great actor, the ability to get inside every role he plays, burrowing deep into each part and bringing it completely alive.

In "Viva Zapata"

First time I saw Brando was in "Viva Zapata," the film John Steinbeck wrote. If I had never heard of him before I would have sworn that Brando was a native born Mexican Indian — cruel and cunning, emotionally unstable and conceited, grimly practical and bravely idealistic, with all the qualities that the peasant leader of the land reformist movement was supposed to posses. He lived the role and his audience lived it with him. That he didn't get an Academy Award for this performance was highway robbery, somewhat softened by the Oscar given to Anthony Quinn as the best supporting actor of the year for his part as Brando's brother in this picture.

Next I saw Brando in "Streetcar Named Desire" and he was Stanley Kowalski to a T, even to the ripped T-shirt. Here he was stupid, brutal, lascivious, an unthinking Homo Americanus whose life revolved around a factory job requiring only physical endurance, his bowling team in the evening, a gullet full of beer on the weekends, and satisfaction of his simple primitive urges on all possible occasions, even when indulgence resulted in tragedy for the party of the second part. Brando shouted and swore, swilled his beer and bullied his women with a vigor and authenticity that could not have been surpassed if he had really been a second generation Pole with a slum background and no inhibitions.

Life's Too Short

After "Streetcar" Brando played in other pictures but the reviews were unfavorable and I didn't bother to see them, life being too short to do all we'd like to do and one being forced to make choices. The actor was one of my enthusiasms but I have others, more compelling and time-consuming. He went his way and I went mine.

Along came "Julius Caesar" with Brando as Mark Antony and the movie-going world was treated to a fresh insight into this man's skill and talents. Here we saw him as a brooding, powerful political leader, a Roman whose outstanding trait was loyalty and whose major attribute was an understanding of mass psychology. We watched him as an orator moulding a mob to his own desires, playing on their prejudices and their passions, shaping them like so much putty into the pattern most useful to his ambition. Surrounded by experienced cinema stars, this young man completely dominated his scenes and added stature to the legend that was building about him.

Lavish Production

"Julius Caesar" was a lavish MGM production that employed a large number of actors, including some of my friends and acquaintances. I went to see it mostly because I wanted to be able to comment on their appearances the next time I met them, but I came away a renewed Marlon Brando fan.

Then came the news that he had been cast as the lead for "The Egyptian." This was to be a film based on a long novel by a Finn named Mike Waltari. I don't read many historical novels but this one I happened to start in a friend's home and couldn't lay down, borrowing it and reading it at a gulp. A gripping story on a panoramic canvas, it provided a strong part for the central character and I looked forward to seeing Brando as the physician-adventurer.

But word filtered out that Brando had gone haywire. First by the grapevine and then in the columns it was rumored that he had walked off the set at 20th Century-Fox, that he had disappeared, that he was under psychiatric treatment in New York, that he would never make another movie, etc., etc., all sorts of unpleasant rumors.

At the height of the anti-Brando agitation I ran into an actress friend who proudly reported that she was working in a film about Napoleon at 20th-Fox. Just in passing she mentioned that Brando was playing Bonaparte and was doing a brilliant job.

No Handsprings

Not being related to Brando nor on his personal payroll, I didn't turn handsprings, but I was pleased to learn that he was back doing the sort of thing at which he excells. I figured the next time I saw him he would be sticking three fingers inside his waistcoat buttons, frowning under a cocked hat worn sideways. I could wait without impatience for that.

Then came "Waterfront." It arrived on the Los Angeles screens unheralded and probably was made in New York about the time that Brando was supposed to be spending all his time on a psychiatrist's couch.

In this one Brando is nothing less than magnificent. He plays the part of a punchdrunk longshoreman, a young ex-pug who has drifted into becoming a muscleman for the mob in control of the docks. Completely at home in the characterization, he makes such a way of life seem the natural outgrowth of his early surroundings in an orphan asylum and the philosophy he picks up from his gangster brother.

Talking Thru Nose

Talking through his nose in exactly the way I've heard other expugs with the cartilage removed talk—an odd intonation that results from lack of resonance after the nose-bones have been splintered so many times by punches that they have to be picked out sliver by sliver—Brando had all the mannerisms down so pat they seemed second nature to him. With scar tissue around his eyebrows, bulky, muscular, half-inarticulate, apparently the product of a dog-eat-dog environment, he was a completely believable slob.

And gradually, as events force him to awaken to the nature of the influences that toss him about, this ex-pug becomes a heroic figure fighting for his own integrity. We see a man growing before our eyes from a stumble bum to a leader of his fellows and a symbol of individual freedom.

Will Sweep Country

Acclaim for this movie will, I believe, sweep the country. The only thing that might prevent wholesale popular acceptance is its excessive realism, too disturbing perhaps for those whose vision of life is tinged with self-delusion. It is brutally realistic and has a little too much sadism in it to qualify as a really fine picture. But Brando's performance lifts it high above the ruck of the usual slam-bang action epic. He gives it psychological intensity and earthy honesty far above Hollywood's usual standards.

Of course the film is not all Brando. Once again he has been fortunate in the author of the story, time Budd Schulberg. The scenario has guts and substance and a foundation on which Brando could build his characterization.

Come to think of it, this actor has been extremely lucky in the men who wrote his films. To mention them—Steinbeck, Tennessee Williams, William Shakespeare and Schulberg—is enough to make the point.

As for Mr. Brando, they might as well carve his name on the Oscar right now. I he doesn't get the Academy Award for his "Waterfront" performance, it is because the voters are deaf, dumb and blind.

MRS. SIDELLE IS FETED AT PARTY BY "NEIGHBORS"

Mrs. Albert Sidelle, 151 Abbott avenue here, was the honor guest last week at a going-away dinner given by the "Friendly Neighbors." The dinner was held at the Papagayo room in the Fairmont hotel in San Francisco.

The Sidelle family are moving to Redwood City.

Members of the club who were at the dinner included Mesdames Sanford Vickers, Owen McNealy, James Wall, Albert Caime, B. Kirby, William Gravatt, Ray Urbanis, Kenneth Van Akin, Umberto Bovero, John Ornellas and Joseph Doyle.

The women's group are now making plans for the five-year anniversary which will be in September.

Read I Timothy 6:12-19.

Fight the good fight of faith, lay hold on eternal life. (I Timothy 6:12)

The story is told of two soldiers, from opposing sides, who met at at a water hole, each desperately wounded and dying of thirst. The battle had passed them by. At first they eyed each other with hate and suspicion, but in the circle of common pain, hate passed into friendship and then to love.

Four days they lived. Then the water gave out. It was the end. "Love," said one, "is greater than war." "And greater than evil, and stronger than death," whispered the other, his fingers seeking his friend's hand.

At dawn the Red Cross party found them, each with a smile on his face, as if each had found a lovely secret. Their handclasp unbroken, they were laid in one grave.

Let us fight joyfully the good fight of faith for our Lord, with love in our hearts, until we come to that other land where love is ruler of the realm, and the face of truth is smiling, and our souls are free.

Prayer

O Lord, who art our guide even unto death, help us to be Thy faithful and true soldiers. Lift us to self-sacrifice and courage, and if need be, to lay down our lives for Thy truth's sake or for a brother. In Thy name we pray. Amen.

Thought For The Day

To love with Christlike love is to live and to win the good fight of faith.

Stonestown Doctor Holds Fashion Day

Fall is just around the corner and the woman who wears glasses can enhance her natural beauty as well as accent that new Fall ensemble by wearing glasses that are right for her face and in frame colors that harmonize with her wardrobe.

Dr. B. Monetta, registered Optometrist, 43 Stonestown Mall, San Francisco, offers this service and Tura frames, which are designed to promote good looks.

As a special courtesy to women who wear glasses, Dr. Monetta is holding a fashion day this Friday, August 27, at his office in Stonestown and will be open until 9:30 p.m. He is inviting all women of this area to meet Miss Ida Fabricius, facial analyst and fashion consultant from New York, without charge or obligation. She will give each woman a Prosopic (facial) Chromatic (color) Analysis and select frames for her that are designed to make her more attractive in wearing her glasses.

"Come in Friday, August 27, at 43 Stonestown Mall for your free facial analysis and you will discover there's more to frame selection than whim or fancy," the doctor said.

GRAND OPENING of Lee's prescription Pharmacy's new building, 6395 Mission street, is being observed today (Friday) and will continue through tomorrow. The new facility, adjacent to Lee's old building, contains 1200 feet of floor space, modern lighting and fixtures and features self-service. Members of the staff of Lee's are shown here (left to right) preparatory to the grand opening celebration: Irma Byne, cosmetician; Carl Rollandi, pharmacist; and Mr. and Mrs. Lee Bagrash, proprietors.

OBITUARIES

Dorothy Coulthard

Mrs. Dorothy Coulthard, a native Daly City resident, passed away Sunday at Mt. Zion hospital after an extended illness. She was 33 years old.

She had lived here at 878 Templeton avenue.

Surviving her are her husband, William Coulthard, three children, Marian L., James E. and Ruth E. Coulthard, her parents, William L. and Amelia H. Lewis, and a brother, Robert Lewis.

Services were held from the mortuary of W. C. Lasswell & Co., Wednesday, followed by interment at Golden Gate National cemetery.

Ruby Haller

Last rites were conducted from the chapel of W. C. Lasswell & Co., yesterday (Thursday) for Mrs. Ruby M. Haller, who died Monday at Mary's Help hospital at the age of 55.

A native California, she had resided here at 269 Templeton avenue.

She leaves her husband, Charles Haller, two children, Clarence and Marie Haller, a sister, Mrs. Margaret Gennia, and four grandchildren, Timmey and Debra Haller, and Jack and Roddie Pace.

Interment for the deceased was at Golden Gate National cemetery.

DALY CITY WINS SAFETY AWARD FOR SECOND YEAR

For the second straight year Daly City has received a commendation certificate in the American Automobile Association's nationwide Pedestrian Protection contest sponsored in northern and central California by the California State Automobile Association.

The award was presented to Mayor Joseph J. Verducci and Police Officer J. D. Walsh, the city's Pedestrian Protection contest representative, by Daniel D. Way, CSAA district manager.

This recognition was accorded Daly City for its excellent record of no pedestrian fatalities in 1953.

"Credit really goes to the residents of the city, both pedestrians, motorists, and to the DC police department, for making this award possible," Mayor Verducci said. "By mutual cooperation with safety officials and police in the pedestrian safety program, the people have benefited materially. The real reward, however, was in the pedestrian lives saved. Almost every pedestrian accident results in serious injury or death. This, in combination with increased traffic volume on our streets and highways renders it imperative that we place greater emphasis each year on pedestrian protection activities."

Returning from one wonderful week at Tahoe are Mr. and Mrs. Fred Brice and children, Judy, Patti and Kenny. They enjoyed the nice weather and getting away from it all, but now it's back to work!

Forty seven cub scouts enjoyed a picnic tour of the Sun Valley Dairy Farm this week. Going alone for the ride (ha, they also took a 2 mile hike) were Mrs. John Hess and several other mothers.

Sixty some odd children attended the picnic at San Bruno Park last week. They all brought a lunch and met at Garden Village school and off they went, no sun but all seemed to have a good time.

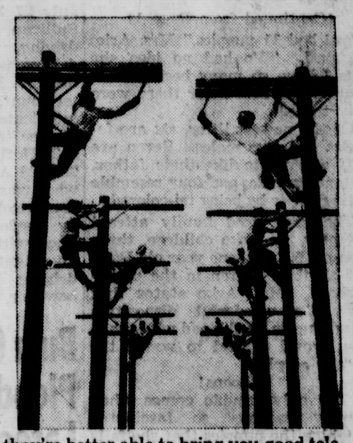
In the Happy Birthday department little Jimmy Hess went around the 5 year mark last Thursday. His little friends enjoyed joining in the games, and the presents were plentiful. Among his guests were: Judy, Nancy and Linda Hess, Susie and Danny Hess, Carol and Mike Van Hecke, Jeffery Meitz, Karen Collins, Tommy Reid and his brothers John and Jerry. Of course the biggest present of all was that five years old means that he will be off to school not too far from now.

Stellar sea lions, the California harbor seal and Pribilof fur seal are seen around the Farallone Islands off San Francisco.

WHAT'S DOING

Thomas R. Gilbert, your Telephone Manager in Daly City

Classroom in the sky

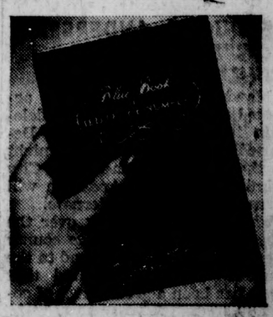


You might not guess it, but these men are going to school. They're learning how to climb telephone poles safely and to string lines that will carry your calls. This course is just one of many given in telephone schools. Others — lasting anywhere from three days to six months — train operators, business office people, installers, and the like. Such training gives telephone people the skills they need to do their jobs faster, better, cheaper . . . and more safely, too. Thus, they're better able to bring you good telephone service that's low in price. **Pacific Telephone works to make your telephone a bigger value every day.**

A long distance visit costs so little

How long has it been since you heard the voices of far-away loved ones—friends you haven't seen for ages? A visit by long distance is the next best thing to being there in person. It means so much and costs so little. You can call coast to coast—clear to Boston for example—for only $2.00 plus tax. That's the rate for a three-minute "station" call after 6 P.M. weekdays and all day Sunday. Calls over shorter distances naturally cost even less. Why not plan to send your love—your friendship across the miles by long distance tonight.

Free booklet comes in handy for personal telephone numbers



You'll be able to keep the local and long distance telephone numbers you call most often right at your finger tips with this free booklet. It's indexed for your convenience . . . will help you find numbers more quickly and easily, complete your calls faster. For your copy of the booklet, call, write, or drop in at our business office. And please remember that you're welcome to additional copies as you need them. Pacific Telephone.

Bond Passage Urged

CITIZENS' GROUP TO AID PASSAGE OF SCHOOL BONDS

A citizens' committee for the passage of a $1,600,000 Jefferson Union High school district bond issue is now being formed, according to Committee Chairman Peter Markovich.

Revenue from the bonds will go toward construction of the $2,000,000 Westmoor High school, to be located on Skyline boulevard just south of Edgemar road. The issue will be placed before Jefferson district voters at an election October 5.

Markovich, who was asked to take over the chairmanship of the committee by school officials, announced today that the first meeting of the group will be held September 8 at 8 p.m. in the Jefferson High school auditorium.

"All persons interested in seeing that the bond issue is passed so that there are adequate educational facilities for the children of the area are invited to attend the meeting," Markovich explained.

He added that volunteer help is greatly needed. Appointments to committees will be made at the September 8 meeting. Various committees will be finance, phone, car, speakers and baby sitters, according to Markovich.

Only $8000 is available for construction purposes on the new school. The money is left from a previous bond issue passed by the voters in 1951.

Without passage of the bond issue, school officials say that the district can complete only about 20 classrooms, two shops, a boiler room, the offices and a library.

If the bond issue is a success they expect to complete 27 classrooms, a library, offices, several shops, boiler rooms, cafeteria, a gymnasium and a fine arts building.

The school is expected to be finished in the fall of 1956. By that time enrollment in the high school district will hit 1900, trustees claim.

The Westmoor school will have a capacity of about 1500 students which it is expected to fill in the near future, the board said.

Ten Pup Litter? No, It's 11!

(Continued from Page 1)

Royal had 11 puppies," Mrs. Arko declared. "We had no idea she wuold have so many because last year in her first litter there were only three."

Of the newest litter, six are females and five males. Seven are buff and white like their father, Galant Prelude, and four resemble their mother by being tri-colored.

The giant-sized family attract not only the Arko children, three year old Pat and one year old Pam, but all the children in the neighborhood. Mrs. Arko states that Royal's wonderful disposition stands her in good stead when children crowd around to watch the puppies at play.

Whoops!

"The only trouble comes when Pammy becomes so fascinated watching the puppies that she falls into the pen with them," declared the owner.

Only once did Royal ever show any signs of viciousness, recalled Mrs. Arko. She explained that one of the apartment tenants entered the house without knocking and startled the dog who was playing with the two children. Royal apparently was afraid the man would harm the children and sprang for him.

"He ran out of the house so fast there was only a cloud of dust," Mrs. Arko said, "and he's never been down to see us since."

Helps City of Hope.

Of the puppies, the Arkos are keeping one female, selling the rest for $35 each and donating one for a City of Hope drawing to be held at the end of the month. Tickets for the drawing will be given with each membership card in the City of Hope.

The $1 cost of a membership card will go towards fighting cancer, leukemia, heart diseases and tuberculosis, according to Mrs. Arko. Interested persons may call President Lynne Boskey at PLaza 6-1856 or Vice-President Mrs. Arko at PLaza 5-8059.

VERDUCCI, ANDERSEN ACCEPT JOBS FOR CIVILIAN DEFENSE

Mayor Joseph J. Verducci accepted the job of Daly City delegate to the county Civilian Defense Planning board Monday night at the city council meeting. City Administrator Dan Andersen will serve as Verducci's alternate.

The city officials took over the jobs at the request of the county organization in a letter read to the council. The letter stated that there has been a great "lack of cooperation" from all cities during the past three years.

"I think that civilian defense planning is of the most vital necessity, especially in the field of disaster control," Verducci told the council.

The mayor also advised cooperating with San Francisco disaster plans on the basis of the possibility of an evacuation when San Francisco residents will be directed through Daly City.

Council Makes 3 Appointments To Commissions Here

Three local men were appointed to hold two vacant positions on the planning commission and one on the parking commission by the city council Monday night.

Julian Cohn, Westlake attorney of 93 Dorchester drive, was appointed to membership in the Daly City planning commission. Cohn will fill the vacancy left by William Pinney who recently moved from this city.

The local attorney is a member of the Westlake Business and Professional Men's association and the Rotary.

Also assigned to the planning commission was Edward Lopez, 1154 Hanover street, Daly City. Lopez, owner of the Mission Paint company and long-time Daly City resident, will fill the position left vacant by the council's recent dismissal of Fred Bertetta from the commission.

Another appointment by the council Monday night was that of Thomas Stanghellini, 128 W. Moltke street, Daly City, to the parking commission. The new appointee, a well-known local resident, is proprietor of Lucca market.

GAS--ALCOHOL BAD PAIR IN BROADMOOR

Motorists traveling through the domain of the Broadmoor police department should avoid mixing alcohol with their gasoline.

This was born out in municipal court yesterday, as three persons charged with driving while intoxicated were hauled in by Broadmoor officers.

In order of their alleged violations they were:

1. John Patrick Roche, 25, 1453 17th avenue, San Francisco, who was picked up near The Colonial on Junipero Serra at 4 a.m. July 3 by officer George Carleton. Roche, originally denying the charge, reversed himself and pled guilty. He was fined $150.

2. Francis John Sullivan, 810 Fulton street, San Francsico, who was picked up on Junipero Serra July 27 by officer Gale Galusha. Sullivan, in addition to drunk-driving, was also charged with driving with a revoked operator's license. He pled guilty to the latter count, but denied driving while intoxicated. Trial was set for September 16, 10 a.m.

3. Herbert William Parliament, 28, 326 Alvarado street, Brisbane, who was picked up on Hillside boulevard at 3:15 a.m. August 14 by Carleton. Judge Thomas L. Bocci withheld sentence pending an investigation of Parliament's past driving record. Minimum fine, however, will be $150.

Bum Check Artist Pleads Guilty To Latest Escapade

Harry Burt Welch, long-time bum check artist and former Daly City resident, is now spending 10 days in the county jail after being picked up by local police outside of a woman-friend's house in San Francisco.

Police have been looking for Welch since July 1 when Gus Curusis, owner of the Evergreen market here, filed a complaint of bum check passing with police. Curusis charged that Welch walked off with $15 worth of groceries, beer and change in return for three bum checks on June 5 and 7.

"He even had the nerve to ask me to come home and have a drink with him," Curusis told police.

The store owner and his wife both identified Welch when shown pictures of known check passers, according to police.

Welch pled guilty before Judge Thomas L. Bocci last week on Thursday. The judge sentenced him to 10 days in the county jail and a fine of $25. A six month probationary period was granted on the condition that Welch make restitution on the checks within 10 days. The judge also granted a 20-day stay of execution.

Just released from county jail on April 25 of this year, Welch has three other convictions behind him, two in San Francisco and one in Daly City.

DISTRICT HEAD TELLS WESTMOOR BOND NECESSITY

"We live in a growing community and because of that we must plan for and build schools for a number of years," stated Stanford Hannah, district superintendent of the Jefferson Union High school, at a meeting of the Daly City-Colma Lions Club.

A general explanation of the high school district's finances was given by Hannah before he discussed the new Westmoor High school and the bond issue to be voted on October 5.

A cash balance of $425,000 was with the County Treasurer, to the district's credit July 1, 1954. Most of this, Hannah explained, is needed to pay the school's expenses until the first tax apportionment in December. "Nevertheless," is was explained, "we could use say $300,000 of this money toward the new school. This with some $800,000 of unsold bonds would make a start."

The present cost of new high schools can be 'roughly estimated' at $2000 per student. The Westmoor High school is planned for an eventual enrollment of 1500.

"If Westmoor is to be opened with a cafeteria and a gymnasium, a fine arts building (for music, art, etc.) and adequate shops, the money must come from the bond issue to be voted on October 5th," concluded the speaker.

"Without the bonds none of these facilities can be provided and the school will be full when it opens. This means we must continue to build immediately.

"We are convinced that the most economical plan is to erect a more complete school under our contract.

"The board of trustees," said the superintendent, "is putting it up to the people . . . which do you want?"

The Brisbane Lions club met with the Daly City-Colma Lions club in a joint meeting with Joe Belli of the local club and Fred Laine of the Brisbane club presiding.

COUNCIL ASKS NEW PUMP BIDS ON SEPTEMBER 7

New specifications for a submersible pump were approved by the city council at a regular meeting Monday night. Bids are called for on September 7.

The council threw out previous bids for the pump on July 26 after a rucus developed over the specifications. At that time, City Attorney Frank Blum said that the same as calling for bids on "one Ford coupe automobile.."

New specifications for the pump to be used at the No. 8 well in back of the pumphouse at Citrus and Niantic streets are written in a "more open manner," according to City Engineer Edwin Smith.

"Any company whose equipment can do the job will be considered," he told the council. "Specifications do not limit the council to accept the lowest bidder," he continued, "rather do they take into consideration the pump's over-all value for the job."

New specifications apparently were drawn up as the result of a charge by Lewis Efremski Jr., representing Henry J. Wrigley Pump company, who submitted a low bid of $6554.83. Efremski claimed July 19 that the council had drawn up specifications in such a manner that actually only one company, Pump Repair Service, would be entitled to bid.

Gus Ford, water department superintendent, in a letter to the council, had said that he was in favor of awarding the bid to Pump Repair Service, who submitted the highest bid of $8106.84. According to Ford, the city has used the high-bid pumps for many years with great success.

Mayor Joseph J. Verducci objected strenuously to awarding the bid because water department personnel were familiar with one particular pump.

"It has always been council policy to accept the lowest bid with the stipulation that all specifications are met by the product," he said.

Mock Air Raid Monday

Police Chief Roland Petrocchi has announced that an air raid signal drill will be held Monday at 10 a.m.

The mock alarm will be sounded to test the efficiency of Daly City's signal apparatus.

The average revenue of one parking meter, according to the National Automobile Club, is approximately seventy dollars a year.

GOP NAMES DAY FOR REPUBLICAN SIGNUP DAY

Sparking the fall registration program in San Mateo county, Republican headquarters announced today that September 1 has been designated as Republican Registration Day. Registrars will be placed at strategic locations throughout the county on this day and will be available to handle all registrations regardless of party designation.

Of special interest to the commuters, the Southern Pacific company is allowing a registrar to be on each Station platform from South San Francisco to Menlo Park. The stations will be manned between the hours of 6 a.m. and 9 a.m. Other registrars will go into the industrial areas of the county and will staff booths during the lunch hours and during breaks in work shifts.

John Dinkelspiel, chairman of the San Mateo county Republican Central committee said today, "We feel that every resident of this county should be given an opportunity to exercise their right and privilege to vote in the general election on November 2. In sponsoring this registration day our Republican workers feel that they are performing a service to the community. Our main political responsibility lies in knowing that our people can vote. Our particular partisan responsibility goes one step further, in seeing that our citizens have men of high caliber, experience and integrity to vote for. We hope that regardless of party affiliation, the people of the county will be certain to register. It is vitally important."

Any further information on the locations of registrars can be had by telephoning Republican headquarters, DIamond 4-0488.

Council To Postpone Sept. 13 Meet One Day

The regular Monday city council meeting scheduled for September 13 will be held the following night on September 14, it was announced this week. Members of the council postponed the meeting in order to attend the Vista Grande Community Concert association dinner planned for the Monday date.

The dinner, which will be at Rickey's Red Chimney in Stonestown, will serve as a kick-off for the one-week membership campaign planned by the organizers of the association.

ernment, are evident in this administration, which has restored integrity and honesty to our government," said Cong. J. ARTHUR YOUNGER'S press release.

If somebody just dreamed up this lofty observation and wrote it down on paper, it'd be different, but this statement was a quote taken from a Younger speech before the GOP women.

If it's true, it's great. If it's not at least it indicates that the guys in politics who write speeches have taken up the epistles and propriety as a substitute for mud.

Then, again maybe this is the new era in government: Fire Chief ELMER KENNEDY is attending the annual Fire Chief's convention in Long Beach this week.

Nothing startling about that, except Kennedy is doing it on his vacation time. You can count on one hand the number of paid city officials in the county who'd do the same.

Everybody probably has a deep-rooted terror of the dentist's chair, but few demonstrate it so forcibly as did five-year-old LINDA BELESKI of 385 D street, Colma, this week.

The little lady, perched in a local tooth puller's seat, jumped up and ran like fury.

Police found her walking down Mission street and at first she refused to go with them.

After soothing her (probably with a promise of a five-year reprieve from the dentist) the little Miss returned to the home fires.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made after the date or date upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than 15 days after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds hereby authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legaliy binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned to the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay principal of debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34 Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the price of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the vote, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

PLAYOFFS WIND UP SUMMER LEAGUE PLAY

Regular Summer league play came to an end Saturday with only the Championship play off games remaining on the schedule. In the Little League the Broadmoor Pirates and Sartos No. 1 were tied for league leadership with 8-1 records. Tied for second place berths were the Westlake Beavers and Sartos No. 2 with 7-2 records.

Next Saturday the leagues top four teams will begin play offs on a best two out of three game series. The final two teams will then play each other off for the first annual baseball championship.

Slated to play on the high school diamond at 12 noon next Saturday will be Sartos No. 1, coached by Lowell Creighton Sr., and the Westlake Beavers, handled by Tiny Garrison. At 2 p.m. the powerful Broadmoor Pirates will take on the game Sartos No. 2 outfit on the main diamond.

Leaders Win

Most action last Saturday saw the league leaders winning. The best game of the day, played before the largest crowd of the season, saw the Broadmoor Pirates pitcher, Phil Fair, throw his third shut out of the season against the hustling Sartos No. 2 team. The Pirates won 7-0 on a neat three hitter by Fair. Only Sartos Don Cubic with 2 for 3 and John Vival with a single could get near Fair. Lefty Dick Reese gave up a total of eleven hits and fanned three. The Pirates rallied for two runs in the third inning on hits by Bill Dougherty and Dixie Howell. Reese tired in the fourth as Roger Walorinta singled, Con Mondfrans doubled, Bill Dougherty walked, and J. B. Berry singled to score three more runs. With the score 5-0 in favor of the Pirates Walorinta and Jim Heick got on base then Phil Fair helped his cause along for two more runs as he blasted a long double into deep left field. Final score was Pirates 7, Sartos No. 2 zero. Most observers believe that this Pirate Club is the team to beat in the finals.

Beavers Rally To Win

Another contest also played before a large group of parents was the Westlake Beavers and the strong Sharp Park team. The Beavers finally won, 6-4, but only after putting out two red hot Coastside rallies in the fourth and sixth frames. Beaver Joe Millet struck out the side in the fourth inning as coastsider Harry Caldwell was doubled home by Dave Simmons. Bill Shook took first on a neat bunt, then Joe Millet fanned, Hager, English, and John Kelly in order. At this point the score was 3-1 in favor of the Beavers. In the fifth inning the hustling Westlakers unloaded the lumber and score three more runs on three hits and a pair of errors by Sharp Park. With the score 6-2 going into the last inning Sharp Park almost caught the Beavers as Bob Hager walked, then Millet struck out English and Kelly. Then Gary Attell hit a long triple to score Hager. Mike Loftus slammed a single scoring Attell easily. Pinch hitter Bill Smith flew out to second baseman Howie McKee on a neat catch behind first.

Leading the Beaver attack was Howie McKee, Sonny Sarro, Steve Opperman, and John Sarro. Joe Millet, allowed eight hits and fanned nine men.

Sarto Upends Brisbane

The third game saw Sartos No. 1 gradually pull away from Brisbane by the final score of 7-1. Rallies in the third, fourth and fifth innings by Brisbane registered only one run on three straight hits by Ed Crowley, Buddy Radoff, and Bill Dixon. Sartos began their methodical attack in the second, third, fifth and sixth innings for a total of seven runs on just two hits. Six errors by Brisbane hurt their cause. Brisbane in turn hit safely nine times but could only score one run. Winning pitcher was lefty Larry Kane.

In the Junior League division it looks like the powerful Sharp Park team against the hustling Brisbane nine. Sharp Park finished up with a 8-1 record and Brisbane tallied seven wins against 2 losses.

Next Saturday Sharp Park meets Brisbane at 12 noon on the high school diamond. This will be a best two out of three game series.

Lloyds Of London Would Have Jumped At The Opportunity

After six years banging the little pellet down the fairway, Dr. Robert W. O'Neil of 460 Southgate, Daly City, finally gained a reward that few golfers attain.

Employing a No. 8 iron on the 133-yard 15th hole at Lakeside last Wednesday, the medic only had to swing once, and he was in an eagle on the three-par hole.

His reaction after the hole-in-one: "I had no feeling, I was dumbfounded," Dr. O'Neil said.

Witnessing the event, which Dr. O'Neil tabbed as "the first and last time it'll ever happen to me," were Bob Whitaker, former assistant pro at Colma driving range, and Gene NeSmith, the doctor's insurance broker.

Commenting on the fact that he had no bets pending on the hole, Dr. O'Neil said, "Here I am playing with my insurance broker and he doesn't even have me covered."

SARTO AC JINX IS FINISHED

Athletic Club Stops Molkenberg Bros., 10-3

Cool as the proverbial iced cucumber, Lowell Creighton maintained control on the mound Sunday to lead Sarto AC to a 10-3 whipping of Molkenberg brothers.

Creighton's win set a precendent, as in three previous games Sarto had been unable to upend the Molkenberg gang.

The young right-hander went the route, allowing only six hits and two walks. Along the way, he managed to retire nine batters on strikeouts.

Bob Zucca, promising Sarto third sacker, boomed out three hits, two of them triples, in five attempts. Outfielder Lenny Costa was also proficient with the stick, getting three for four.

Sarto scored three runs in the first frame, one in the seventh and had a big half-dozen in the eighth inning.

Molkenberg picked up two in the fifth, one in the eighth.

Good defensive ball on Sarto's part was a big factor in the lopsided win for Creighton.

This Sunday Sarto meets Guys Drugs of Oakland on the Marchbanks field at 2 p.m.

All Star Ring Show Tonight Benefits DC Polio Campaign

The Daly City Recreation Department, in an effort to aid the Emergency Polio Fund Raising Drive, is presenting an "All-Star Boxing Show" tonight (Friday) at the War Memorial building at Mission and Alp streets.

Interest and ticket sales have been so brisk there is every reason to believe the show will be both entertaining and financially successful. A crowd of at least 300 persons is expected.

Twelve action-packed bouts are on tab for the evening with the first match scheduled to get underway at 7:30 p.m.

One of the feature bouts of the program pits Ray Rosa, local high school football star, against hard-hitting Harry Sampson, current Jeff Hi heavyweight title holder. This one promises action from start to finish.

Don Messina and Jack Goggins go in another feature which threatens to steel the show.

Ray Torres who scored a thrilling TKO victory in the recreation department's last show will box a suitable opponent yet to be named to round out the triple main event.

The complete boxing card for the evening is as follows:

Billy Ellis vs. John Hernan
Ernest Montoya vs Walt Pickering
Richard Montoya vs. Frank Burger
Joe Stagnaro vs. Ron Molina
Pat Periera vs. Fred Howard
Don Miller vs. Paul Glomi
Roger Stahl vs. Martin Cosgrove
Wayne McNeil vs. Bill Long
Ronnie Montoya vs. Mike Kennedy
Don Messina vs. Jack Goggins
Ray Rosa vs. Harry Sampson

It may be necessary to revise the card due to injuries or unforeseeable circumstances. The recreation department is still attempting to make matches for Bruce Lovazzano, Al Howard, Bill Bricker and Dan Rasmussen.

Ed Cavagnaro, Walt Gillis and Sanford Vickers will serve as judges for the events. Many other city dignitaries will also be present.

During the intermission soft drinks, hot dogs, donuts, coffee and chocolate milk will be served.

The entire proceeds from both gate receipts and concessions for the show will go to the Polio fund. Admission for adults is 75c and for children 35c

RECREATION NEWS

Arts, Crafts and Hobbies

The Daly City Recreation Department wishes to announce the Arts, Crafts, and Hobbies Show which will take place on August 24 and 25 from 3 p.m. to 5 p.m. and again in the evenings from 7 p.m. to 9 p.m. at the War Memorial Community Center.

We cordially invite all parents and friends to attend this show which is the culmination of work done in the Recreation Summer Program. The work that the youngsters have done, and many of them include those from Westlake, will be on display Tuesday and Wednesday with ribbons being awarded for first, second and third place. We sincerely hope that both the parents and their children will attend the coming exhibit.

We wish to make a special note and appeal to the residents of Westlake for the forthcoming "Emergency Polio Drive" Boxing Show. Ten all-star bouts will be held on Friday the 27th of August at 7:30 p.m. at the War Memorial Community Center. Admission to adults will be 75c and 35c for children eleven and under.

One other attraction which appealed to both the young and old as well as the children and the directors was the appearance of "Be Be" the Clown. With a few words, the imagination will suffice to the happiness echoed throughout Westlake.

Amateur Show

The Recreation Department's Annual Amateur Show, which usually signifies the end of the summer program was presented last Saturday night at the War Memorial Building.

Although the attendance was somewhat disappointing, the one hundred and twenty-five people who witnessed the event were rewarded with an excellent show. In all, sixteen acts were presented, including singers, dancers, instrumentalists, comedians and magicians.

Gordon Tydingco and Larry Kane were awarded first prize by the applause of the audience over the six other chosen finalists. Gordon and Larry played the beautiful "Via Con Dios" on the Spanish and steel guitars. First prize was a brand new crisp five dollar bill. The second prize of three dollars went to little Judy Moore of Westlake who showed considerable potential as a tap dancer. Judy performed a "Dancing Farmerette" number that truly was wonderful.

Mike and Al Maffei walked off with the third prize of two dollars. Mike played the accordion and sang "Le Cupachero" and "Oh Mein Pa Pa" to the accompainment of brother Al on the morraccas. A great future awaits Mike and Al in the musical world. The other four finalist acts were Linda Magree, Sandra Fernandez, and Corky and Maria Balsano—Hawaiian dancers; the 3 W's, Will, Wayne, and Walt Pickering—Tap dancers; Willie Taylor, singer; and Leonard Jacobson, pantomine artist.

The audience reaction toward the talent was so encouraging that the Recreation Department may put on another show in the near future.

Archery

This week's archery program consisted of an animal shoot. Various animals cut out of colored paper such as rabbits, snakes, cats, ducks, chickens and skunks were used. Each participant was to shoot each of these animals to be declared game hunters. For instance, if your first shoot hit the colored rabbit, your next shoot had to hit another animal and not the rabbit. No one was able to hit all of these but Mike Blume, Wayne Gordon, Harold Gordon and David Lewis from Jefferson Elementary got close to this high total. From Frankfort our All-city Champion Manuel Villa, Tommy Waudel and Bert Rodriques came close to being "Big Game Hunters." Some of the participants from Westlake who almost achieved this honor were Renny Bonzini and Steve Calendar.

Due to inclement weather the shoot was called off at Jefferson High school and Marchbank park, but every effort will be made to have the shoot at these parks next week.

THIS TIME POLICE FIND NEW SIGNALS ARE REALLY STUCK

Police found no false alarm when they answered a complaint August 20 that the new $85,155 signals at Alemany boulevard and Lynnewood drive were stuck on the red left-turn light. The complaint was turned in at 1:18, and it was reported that more than an hour later the signals were still not working. Police said that they notified the Division of Highways of the stoppage.

On August 15 police answered a call that the signals were broken, but it proved to be only a false alarm.

"We often receive reports of this nature when traffic backs up during peak hours," Police Lieutenant Roy Beecher commented at the time.

R. L. Richardson, district highway engineer, blamed the stoppage on a mechanical breakdown. He added that the division is keeping close watch on the signals during the first few weeks in order to prevent such breakdowns.

"We so far have been completely satisfied with the operation," he said. "Things of this sort are not the fault of the design of the signals."

MIDGETS COP OPENER IN PLAYOFF SERIES

Broadmoor Must Win Tuesday For Title Shot

Playing in near perfect weather Tuesday before a large turnout crowd the Daly City Midgets and the Broadmoor Yankees squared off in their first championship game to decide which team will take the 1954 baseball crown.

After it was all over the Daly City Midgets had won the contest, 4-1, over the hustling Yankees. Both teams had split games in two previous meetings during regular league play. This championship will be decided on a best two out of three game series. The next meeting of these two teams will be next Tuesday at 6:15 p.m. on the Jefferson High school diamond.

Midgets Get Lead

The Midgets jumped into a two run lead early in the first inning when Mike Rovai poled a long triple to start things rolling. Geo. Claus followed on a walk and lefty Barry Krohn then connected with a sharp single to drive in Rovai. Catcher Kollman then singled on an error scoring Claus. With Rich Morales pitching for the Midgets the Yanks then rallied for one run on two hits. Mike Kearney hit a long triple with one out. Ron Townsend grounded to Morales holding up Kearney at third. On a full count Terry Christmas laced a sharp single scoring Kearney for the first Yank run. Hyndman then made the third out by grounding out to Morales.

Final Flurry

In the last inning the Midgets struck for two more runs, both unearned when Barry Krohn worked chucker Billy Hix for a walk. Morales then drove in Krohn on a miscue by the Yank defense and was thrown out trying to stretch a single. Billy Kane also got on via a walk. Kollman made first base on a fielders choice play. With two outs Bill Ellis was inserted into the lineup for Jim Green and proceeded to draw a walk from Bill Hix. With the bags loaded little Jim Fair then was hit by a pitched ball forcing across the fourth run of the game. Mike Rovai then grounded out to the second baseman to end the game.

The winning pitcher was Rick Morales who allowed just four hits, walked two and fanned five. The losing pitcher was Bill Hix who gave up five hits, seven walks and struck out eight. The leading hitters for the Midgets were Mike Rovai with a double and triple and Barry Krohn, Rich Morales, Kollman with one hit apiece. Leading Yank hitter was Terry Christman with two singles in three trips.

ROCKETS NIP BLUES IN FIRST CONTEST OF THE COUNTY PLAYOFFS

The powerful Westlake Rockets, winners of the North San Mateo County league, blasted the Belmont Blues, Southern Division champions, 16 to 0, in the first game of a two out of three series to determine the San Mateo County championship.

Excellent Eddie Leveroni, Rocket pitcher, gained his ninth victory in as many starts. Leveroni limited the Belmont club to one hit while striking out eleven. Eddie now has a total of 101 strike-outs, an average of 11 per game.

Leroy Franzoia, stellar Rocket third baseman, opened the contest with a solid smash to left. A pair of walks loaded the bases and set the stage for a pair of singles by Sonny Martinez and Anthony Stagnaro. Before the smoke had cleared, the Westlakers had a commanding four to nothing lead. Bill Strassberger, Rocket catcher, accounted for two runs in the second with a liner through the box. In the third the Rockets had their biggest inning, pushing across five runs on only one hit. John Spadoni's single was the big blow of the inning. Held to one run in the fourth the local lads errupted for four more runs in the fifth. Franzoia, Strassberger, and Ino Patron led the hit parade with solid singles to left, left center, and right fields respectively.

Belmont relief hurler, Johnny Miller, successfully held the Westlakers in check the final two innings but all the damage had been done.

Both teams go at it again this Saturday at Flood Park. Game time will be at 10:30 a.m. If the Rockets can win this one they will bring to Westlake the San Mateo county chaimpionship.

COMMISSION SETS RULES FOR WATERFOWL FEEDING

California's waterfowl feeding program—operated for the first time last year as a crop relief measure—will begin September 15 this year, the State Fish and Game Commission ruled at ist last meeting.

Those who can flood their lands by September 15 must do so, and October 1 is "the latest" flooding date for permittees under the feeding program and rules, the Commission announced.

An early start is badly needed, if feeding on duck club areas and other lands is going to reduce damage to cereal crops, Commission President William J. Silva of Modesto said.

The feeding regulations were revised by the Commission to make it "a violation of these Regulations for the permittee, or his agent, to permit any person to shoot or hunt within 200 yards of any artificial feeding area" this year. The section's previous wording did not specify who would be held responsible for the violation.

The amended rules also state that "feeding operations between September 15 and the start of the open waterfowl season shall be so conducted in conjunction with these flooded areas that they will be attractive to waterfowl."

Applications for feeding permits may be obtained from regional offices of the Department of Fish and Game in Redding, San Francisco, Sacramento, Fresno, and Los Angeles.

NEW INFORMATION OFFICER NAMED BY FISH AND GAME

Seth Gordon, director of the California Department of Fish and Game, has announced the appointment of William M. Carah, former northern California newspaperman, as Departmental public information officer.

Carah succeeds Kramer A. Adams, who has accepted a public relations post with the Weyerhaeuser Timber Company at Tacoma, Washington.

The new public information officer is a native Californian and is a graduate of Chico State College. He has worked with Sacramento newspapers and other northern California dailies.

More recently Carah has been a member of the publicity staff of the California State Fair and for three years was public information officer for the U. S. Bureau of Reclamation with headquarters in Sacramento.

His headquarters with th Department of Fish and Gar will be in Sacramento.
